Click "Previous History" to fill previous job comments.

1

Are you sure you want to fill the previous job history?

[Yes](#) [No](#)

2

Click "Yes" to confirm.

Key points in filling Previous History :

1. When will be the PREVIOUS HISTORY button enabled?
Previous Job history should be available for that asset.
2. When will be the PREVIOUS HISTORY button disabled?
 - If QC SUCCESS is recorded, it will be disabled.
 - If the asset does not have previous job history then it is disabled.
